

Kevin S. Gibbons

University of Maryland – Department of Anthropology – Zooarchaeology Laboratory
1111 Woods Hall – 4302 Chapel Lane
College Park, Maryland 20742
gibbonsk@umd.edu (+1) 404.316.1748

Education

University of Maryland	Ph.D. Anthropology (expected 2019)
University of Sheffield	M.Sc. Environmental Archaeology & Palaeoeconomy (2010)
University of Georgia	B.A. Anthropology (2009)
Young Harris College	A.A. Liberal Arts (2006)

Professional, Teaching, and Laboratory Experience

Graduate Researcher – Potomac River Gorge Environmental History, National Park Service (2015-present)
Lab Instructor & Teaching Assistant – Department of Anthropology, University of Maryland (2014-present)
Graduate Researcher – Climate Change & Cultural Resources, National Park Service (2014-2016)
Lab Manager – Zooarchaeology Laboratory, University of Maryland (2013-present)
Environmental Archaeologist – Thunderbird Archaeology, Wetland Studies and Solutions, Inc. (2011-2013)
Museum Researcher – Zooarchaeology Laboratory, Georgia Museum of Natural History (2010-2011)
Site File Researcher – Georgia Archaeological Site File, University of Georgia (2008-2009)

Professional Service

Society for American Archaeology
Member, Committee on Climate Change Strategies and Archaeological Resources (2016-present)

New International Community for Historical Ecology
Member, Steering Committee (2015-present)

Practicing Anthropologist Student Association, University of Maryland
President (2014-2015)

Department of Archaeology Graduate Teaching Committee, University of Sheffield
Student Liaison, all M.Sc. programs (2009-2010)

Department of Archaeology Graduate Liaison Committee, University of Sheffield
Student Liaison, M.Sc. Environmental Archaeology and Palaeoeconomy program (2009-2010)

Center for Archaeological Sciences, University of Georgia
Member, Executive Board (2008)

Student Association for Archaeological Sciences, University of Georgia
President (2008)

Lambda Alpha – National Anthropology Honor Society, University of Georgia
President (2008-2009)

Selected Publications, Reports, and Theses

Hambrecht, George, Cecilia Anderung, Seth Brewington, Andrew Dugmore, Ragnar Edvardsson, Francis Feeley, Kevin Gibbons, Ramona Harrison, Megan Hicks, Guðbjörg Ásta Ólafsdóttir, Marcy Rockman, Konrad Smiarowski, Richard Streeter, Vicki Szabo, and Thomas McGovern

in press Archaeological sites as distributed long-term observing networks of the past (DONOP).

Quaternary Research.

Selected Presentations

Gibbons, Kevin S.

- 2017 Icelandic Livestock and Landscapes: Biometrical Signatures of Land Surface Change. Paper presented at the 82nd Annual Meeting of the Society for American Archaeology, Vancouver. **(invited)**
- 2017 Biometrical approaches to the Icelandic Palaeoanthropocene: Integrating livestock and landscapes on the periphery. Paper presented at the Postgraduate Zooarchaeology Forum, Institute of Archaeology, Nicolaus Copernicus University, Toruń. **(invited)**
- 2016 Human Ecodynamics in the North Atlantic: Archaeological Sites as Endangered Environmental Archives. Paper presented at the 49th Annual Meeting of the Canadian Archaeological Association, Whitehorse. **(invited)**
- 2016 Icelandic Agricultural Heritage and Environmental Adaptation: Osteometrical and Genetic Markers of Livestock Improvement. Paper presented at the 49th Annual Conference of the Society for Historical and Underwater Archaeology, Washington, D.C.

Hambrecht, George, Ennis Barbery, Elizabeth van Dolah, and Kevin Gibbons

- 2016 International Efforts to Engage with Climate-Based Threats to Cultural Heritage. Paper presented at the 81st Annual Meeting of the Society for American Archaeology, Orlando.

Cruse, Kirsten, and Kevin Gibbons

- 2016 Movement and Gathering Across Time: A Preliminary Report on the Potomac River Gorge Environmental History and Historic Resources Study Project. Paper presented at the 8th Annual Spotlight on National Park Resources in the National Capital Region, Shepherdstown.

Armstrong, Chelsey Geralda, Kevin Gibbons, and Anna Shoemaker

- 2016 Archaeological Contributions to Historical Ecology: 50 Questions, Infinite Prospects. Paper presented at the 49th Annual Meeting of the Canadian Archaeological Association, Whitehorse.

Gibbons, Kevin S., and George Hambrecht

- 2015 Icelandic Livestock Improvement and an Emerging National Identity: Biometrical and Genetic Markers of a New Landscape. Paper presented at the 80th Annual Meeting of the Society for American Archaeology, San Francisco.
- 2015 Icelandic Livestock Improvement on a Millennial Scale: Biometrical Analyses of Caprine Morphology. Paper presented at the 48th Annual Conference on Historical and Underwater Archaeology, Seattle.

Gibbons, Kevin S.

- 2015 Archaeological Sites as Endangered Environmental Archives: News from the North Atlantic. Paper presented at the 2nd Meeting of the New International Community for Historical Ecology, Vancouver.
- 2012 The Faunal Evidence from the Accotink Quarter (44FX0223): Beef and Pork in Slave Diets on Satellite Farms in the Chesapeake. Paper presented at the Thunderbird Archeology Symposium of Current Archeological Research and Public Outreach in the Potomac Region, Gainesville.

Gibbons, Kevin S., and Maran E. Little

- 2012 Faunal Remains from the La Pointe-Krebs House (22JA526): Comparing Colonial Gulf Coast Occupations with Data from the Atlantic Coast. Paper presented at the 45th Annual Conference on Historical and Underwater Archaeology, Baltimore.
